

World Traveler to Lead World Day of Prayer Rites

Church Women Sponsoring Annual Prayer Observance

Address of the Torrance observance of the World Day of Prayer tomorrow will be an address by Dr. Adaline Guenther before an open meeting at the First Baptist Church, scheduled for 7:30 p.m.

Earlier in the day there will be a worship service at 11:30 a.m. at the First Methodist Church for all churchwomen and a students' devotional service at the First Baptist Church during the high school lunch period.

Opening the afternoon service of worship will be Mrs. Alan Moore of St. Andrews Episcopal Church. Among others who will share in this program are Mrs. John Almond, First Methodist Church; Mrs. J. P. Cook, Central Evangelical Church; Mrs. Roy Muncy, First Baptist Church; Mrs. Paul Wenske, First Lutheran Church; and Mrs. J. J. Walker, Christian Church.

Musical assistance will be supplied by the choir consisting of Mrs. Richard Brudin, Mrs. Earle Peterson, and Mrs. T. R. Fisher. Hospitality for both the afternoon and evening meetings will be in charge of a committee under the chairmanship of Mrs. A. C. Turner, with members from participating churches.

Thirteen young people's societies in the Torrance area are cooperating in the noon-time devotional period at the First Baptist Church. Mrs. Joseph Lukes, advisor to the group, invites women who cannot attend the 1:30 program to drop in for the noon hour.

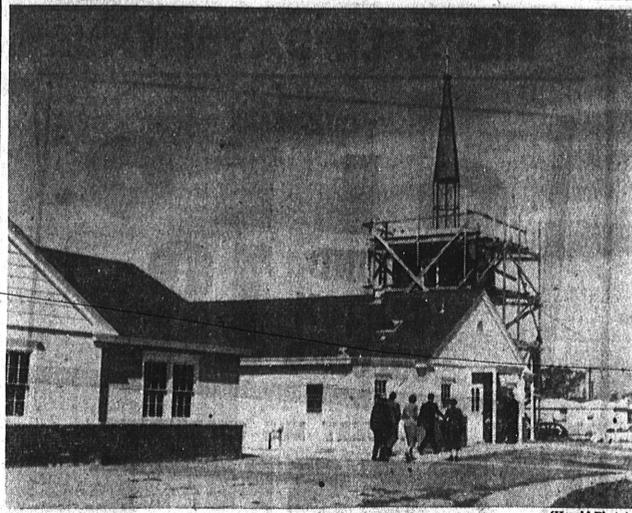

Of special interest to college students and persons concerned with international understanding should be the address by Dr. Guenther at the evening meeting, as she will tell of how two groups of university students went to India on Goodwill tours. These trips, known as Project India, were made to give a representative group of students—most of them from UCLA—an opportunity to see an Oriental country at close view and also render a real service to its people. The students themselves—an interracial, interdenominational group, were likewise a revelation to the Indians, who thus at first hand how well American young people of varying

faiths and nationalities worked together. Dr. Guenther not only has an absorbing story to tell, but is an exceptionally dynamic speaker, according to persons who have heard her recently.

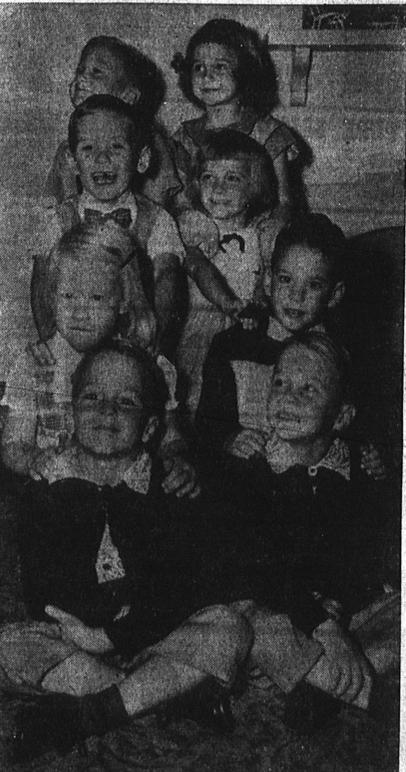

Music at the evening meeting will be furnished by Mrs. Nadine Nickol, and the Methodist Youth Choir under the direction of Earle Peterson with Mr. Walton at the organ. Clergymen who will take part in the service include the Rev. C. Miles Northington, Rev. F. A. Brunson, Arthur B. Bello, John L. Taylor, Paul Wenske, and Walter Stanton.

All these meetings are open to the public. This morning at 9:30 the women of St. Andrews Episcopal Church are sharing with the community their regular prayer service. The Rev. Thomas Waters, a well known worker in the interdenominational prayer movement, will be the special speaker, according to Mrs. Carl Lane, leader. Following the prayer meeting, the Rev. Bello will serve Holy Communion at 11 a.m. in the sanctuary.

Church Prayer Hours Reported
"World Day of Prayer" will be observed tomorrow at the First Baptist Church of Torrance with public worship and prayer at 10 a.m., 2 p.m. and 7:30 p.m. The Rev. Andrew Duty will speak on "The Voice of Jesus' Blood" at the 11 a.m. communion service on Sunday. The Seminars Quartet from the Los Angeles Theological Seminary will provide singing for the meeting of the Youth Fellowship at 6:30 p.m. Sunday and will conduct the 7:30 evening worship service.

FIRST SERVICES . . . Members of the First Christian Church congregation met for worship services the first time Sunday in the new church edifice near Felbar and Orando. The still uncompleted church was put into shape during the preceding week for Sunday's services, according to Rev. J. J. Walker, pastor.

LOOK ALIKES . . . There are four sets of twins in the Sunday school class of the First Methodist Church, which must be some sort of a record, according to Mrs. Harlan McCool, superintendent of the kindergarten department of the church. Even with all those look-alikes in the class of 100, Mrs. McCool has little trouble telling them apart because three are boy-girl combinations. Reading from the front to the back, the twins are George and Jamie Broatch, 5, sons of Mr. and Mrs. Lev Broatch, 1153 W. Jay St.; Donna and Donald Davis, 3, children of Mr. and Mrs. Donald Davis of 1772 Marinette St.; Stewart and Mary Lynn Enger, 5, son and daughter of Mr. and Mrs. Lyle Enger, 715 Pine Dr.; and Norman and Nancy Sandstrom, 5, whose parents are Mr. and Mrs. Rufus Sandstrom, 1514 Madrid Ave.

'Prayer in Hell' Is Sermon Topic
"The Prayer Meeting in Hell" will be the sermon topic of the Rev. George F. Cain, pastor, at the 11 a.m. worship service of the South Bay Baptist Church Sunday in the Recreation Building, El Retiro Park. The Lord's Supper will be observed. At the 7:30 p.m. service, the pastor will speak on the topic "Remember Lot's Wife." The monthly business meeting of the church will be held Wednesday evening at 7:30 o'clock in the South Bay Community Christian School, 6922 W. Pacific Coast Hwy. On Thursday from 10 a.m. to 4 p.m. the ladies' White Cross meeting is slated to be held in the home of Austin Thayer, 100 N. Prospect, Redondo Beach.

COAL RESERVES
Coal reserves of Alberta Province in Canada are estimated to extend about 25,000 square miles. They comprise about 15 per cent of the world's known coal supply.

PV Students To Go Abroad For Credits

Travel-minded Palos Verdes College will again sponsor a trip abroad this summer, under the leadership of Art Instructor Arthur Adair, who conducted a similar tour for PVC in the summer of 1949, and a European tour for Columbia University in the summer of 1952. SITA (Students International Travel Association), an organization highly experienced in planning student travel, is in charge of arrangements for the tour.

For those who wish to earn college credits during the summer the college offers a four-unit course in art and related subjects under Mr. Adair's instruction during the tour. However, enrollment in the course is not required of all participants in the trip, and the group membership will not be limited to college students.

Featured is the western half of the Mediterranean, plus much of Holland, Germany, Switzerland, and France. Emphasis, however, is on Italy, North Africa, and Spain. Sailing date from New York is June 28, the tour will embark on the Dutch student liner SS Zuidereinder, and will use rail, motor, and steamer transportation, returning to New York, where the group disbands, on Sept. 2.

The itinerary will include Rotterdam, the Hague, Cologne, Bonn, Godesberg, Heidelberg, Lucerne, Milan, Venice, Padua, Ravenna, Florence, Siena, San Gimignano, Orvieto, Rome, Naples, Pompeii, Palermo, Tunis, Algiers, Fez, Tetuan, Granada, Seville, Cordoba, Toledo, Madrid, Barcelona, Carcassonne, Arles, Nimes, Avignon, Paris, Chartres, Versailles, Brussels.

Sunday's Lesson-Sermon Asserts Man God-Made

"Mark the perfect man, and behold the upright; for the end of that man is peace." This declaration of the Psalmist is the Golden Text in the Sunday Lesson-Sermon on "Man" in all Churches of Christ, Scientist. (Ps. 37:37)

Man's right to freedom from crippled and diseased physical conditions, as shown by Christ in the healing of the impotent man, is related in John's Gospel (5:5-9). When Jesus saw the man at Bethesda "which had an infirmity thirty and eight years . . . He saith unto him, Wilt thou be made whole? The impotent man answered him, Sir, I have no man, when the water is troubled, to put me into the pool; Jesus saith unto him, Rise, take up thy bed, and walk. And immediately the man was made whole, and took up his bed, and walked." (pp. 302, 425).

Plans For New Church Underway As Quarter Ends

The third quarter of work at the Hope United Brethren Church closed Sunday and a special meeting of the Council of Administration is being called for March 15 to plan for a new church building, according to the Rev. Homer H. Miller, pastor.

Four new members were received into the church Sunday by letter of transfer from the Evangelical United Brethren Church in Pueblo, Colo., the Rev. Miller reported. The new members are Mr. and Mrs. Woodrow Welby and their two daughters, Sondra and Susan Lynne. Susan Lynne was baptized and received her confession of faith. At a Monday meeting of the Council of Administration, Treasurer E. G. Collins reported all bills paid or provided for and a small balance left to start the church building fund.

Guard Collects For Students of Korea

Southern Californians are turning their closets inside out this week in answer to the plea of National Guardsmen of the 40th (Grizzly) Infantry Division: "Don't throw it away give it away."

Major Gen. Homer O. Eaton, Jr., commander of the war-famed Fortieth, said this week the flow of relief supplies into the unit's 43 armories which started last week has been increasing daily.

The campaign to collect used clothing, school books and supplies, and athletic equipment for students of the SFC, Kenneth Kaiser Memorial High School in Kapyong, Korea, and for other institutions, has brought a heart-warming response from scores of Southland communities, said General Eaton.

Col. William B. Henderson, commander of the drive and Division Adjutant General cited several examples of California's generosity.

Members of the California Teachers' Association, Southern Section, under their president, Charles C. Herbst, have already contributed more than 3000 elementary English-language school books and have promised more. In addition, the teacher organization has pledged \$500 worth of other school necessities to the Kapyong school.

At Anaheim, more than 6000 school books have been amassed at the armory of Company K, 324th Infantry Regiment, many of them badly needed reference books and dictionaries.

ers for Korean children, already has 20 sweaters ready for the Sergeant Kenneth Kaiser drive. Mrs. Eaton, who lives at 4415 W. Van Ness Ave., also has organized a group of friends and promises to boost the total to at least 100 sweaters.

Junior Woman's Clubs of the entire Los Angeles district have adopted the Kaiser drive as their annual international friendship project. Mrs. Rhetta Kellar, of the Redondo Beach Dianas, will chairmen the project.

The Kaiser school in Kapyong, first coeducational institute of its kind in Korea will get first priority on supplies collected by the 40th.

The school, built in 1952 with money and labor given voluntarily by 40th Infantry Division, was named after the first man killed in the Korean conflict, SFC Kenneth Kaiser, Jr., of Los Angeles.

Since its completion, the school has derived most of its support from the 40th Division, still serving as a part of the U.S. Eighth Army in Korea, and the 40th (Grizzly) Division, reactivated in 1952 as a part of the California National Guard following 18 months in the Far East.

The current drive, in which local Guardsmen expect to gather more than 1500 tons of badly-needed supplies for Korean students, is the first project undertaken jointly by the two 40th Divisions.

Clothing, shoes, school supplies and other relief materials donated by Southern Californians will be packaged and readied for shipment at armories throughout the Southland. They will be shipped to Korea prior to the onset of cold weather this fall.
